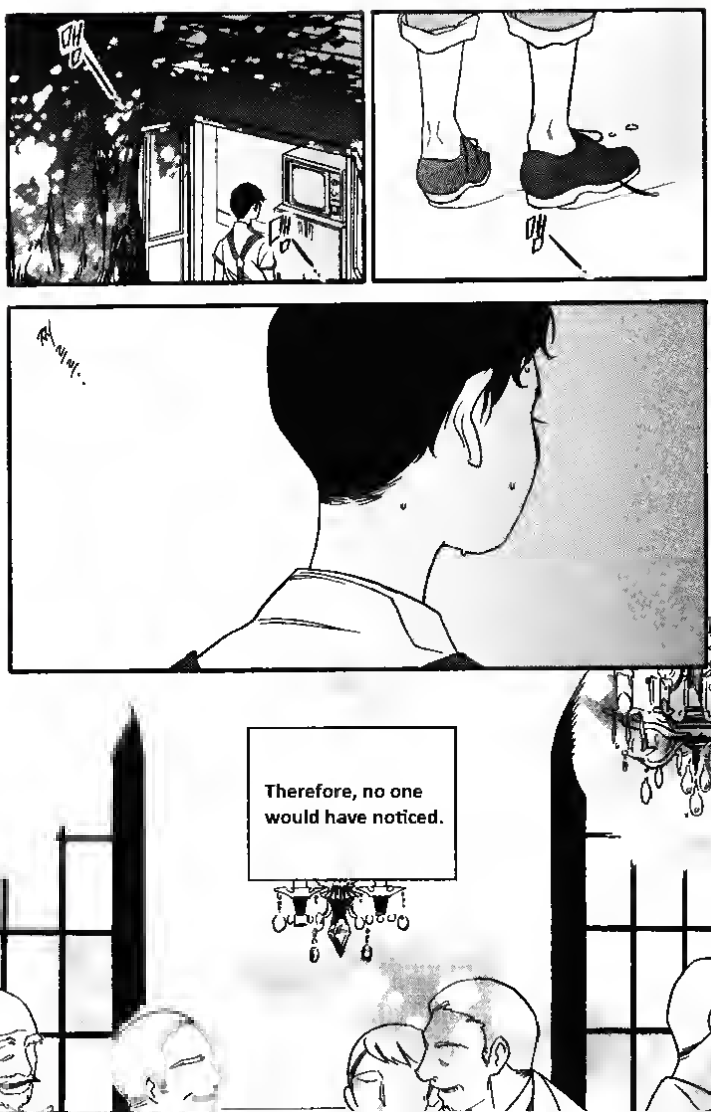
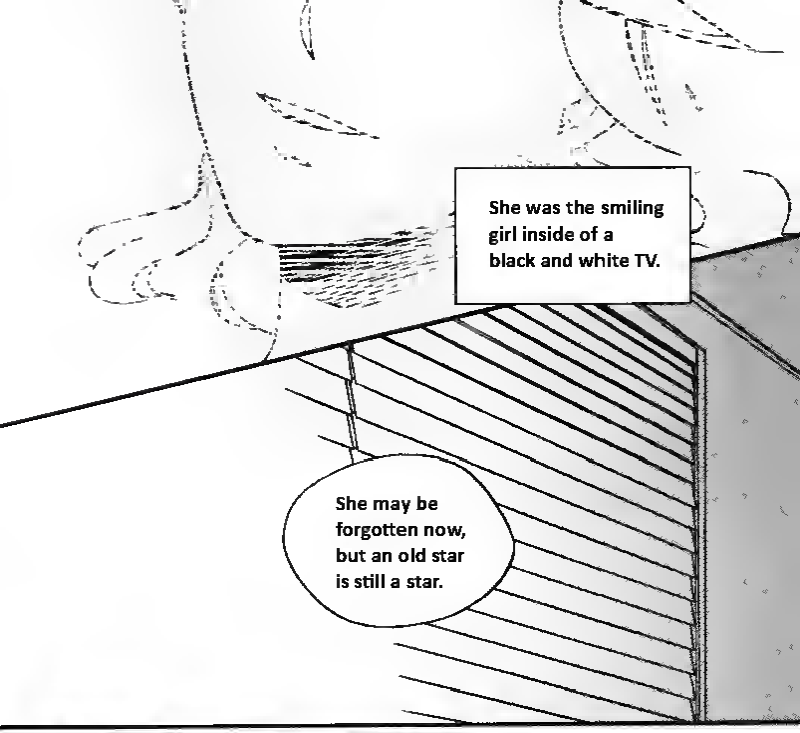
★ 수상소감 ★

내내 빌이 공중에 떠 있는 느낌입니다
아직도 이렇게 얼떨떨한 걸 보니 전는 어릴 적부터 꿈을 꾸면서도
마음 한켠으론 그 꿈이 정말로 현실이 될 거라고 미처 생각지 못했나 봅니다
정말 정말 감사합니다 앞으로 열심히 하겠습니다

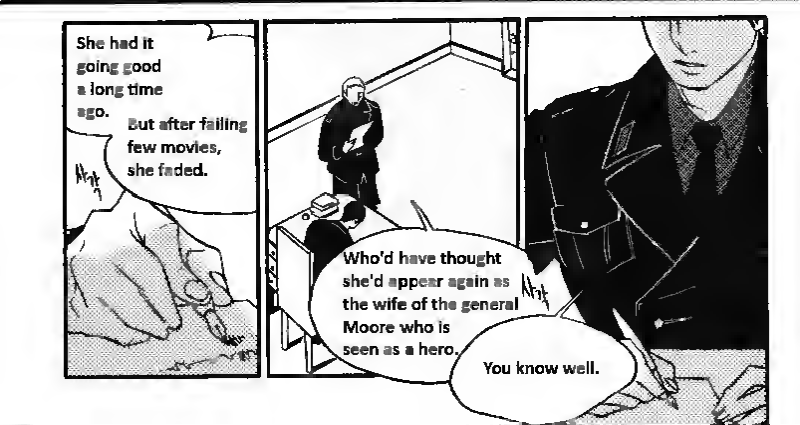


Therefore, no one would have noticed.

That he identified her immediately as soon as he saw her.

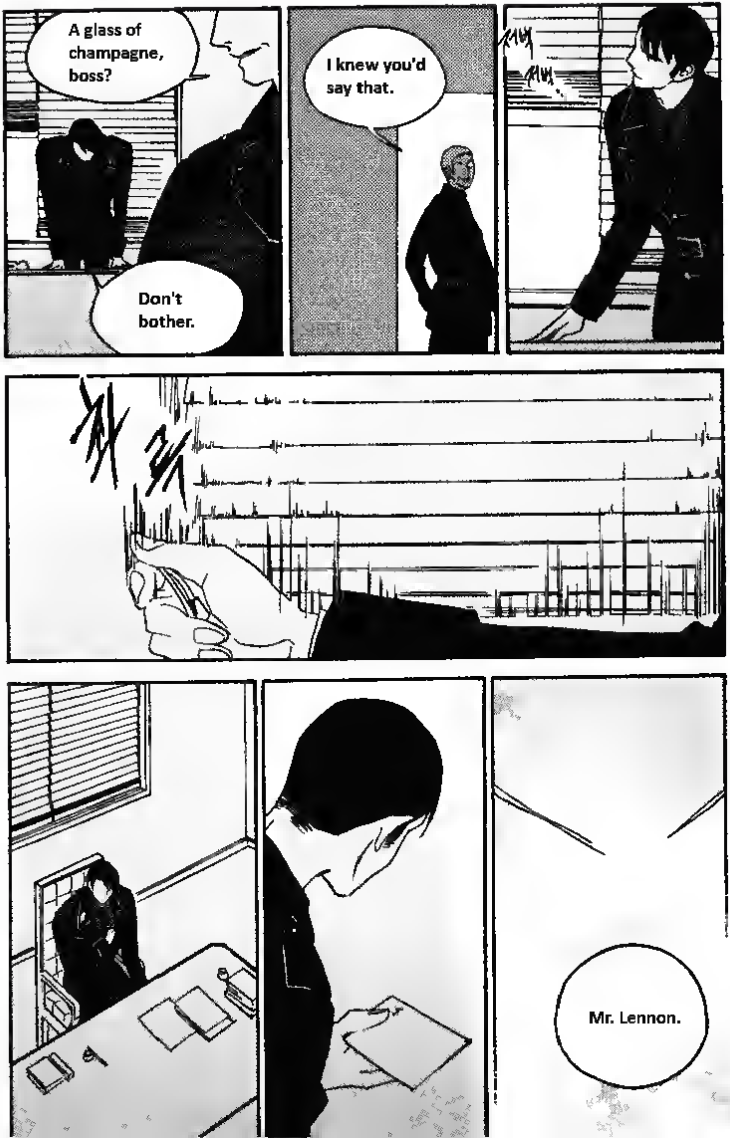


She was the smiling girl inside of a black and white TV.
She may be forgotten now, but an old star is still a star.



She had it going good a long time ago.
But after failing few movies, she faded.
Who'd have thought she'd appear again as the wife of the general Moore who is seen as a hero.
You know well.

Although ... it's not his wife we should be caring. It's the general we are after.
Our party has no physical presence.
In order for us to do anything big, we need Gen. Moore's support.
I am fully aware.
In fact, I bring news. The general would like to see you in person.
Very well.



A glass of champagne, boss?
Don't bother.
I knew you'd say that.
Mr. Lennon.

I've listened to your speech recently.
I am sure my husband has told you about me. But allow me to introduce myself.
Jeanette Moore.

How do you like food ?
I was told that good sheep meat arrived this morning.
.... I am sorry, but

I haven't eatten any meat for a long time.
Why?

Tell me ...

Do you think your plan will be successful?
More precisely, can I trust you on this?
You can count on me.

I pity that you find your joy of life by inticing and seducing men.

The letter was torn up.
Lennon!
Get the car ready ! We are leading them to the parliament building !

They are agitated right now !
Ryan, you are coming with me. Tell Lan and Raul to stand guard on the spot !
Yes, sir !

Tonight...

This country ...

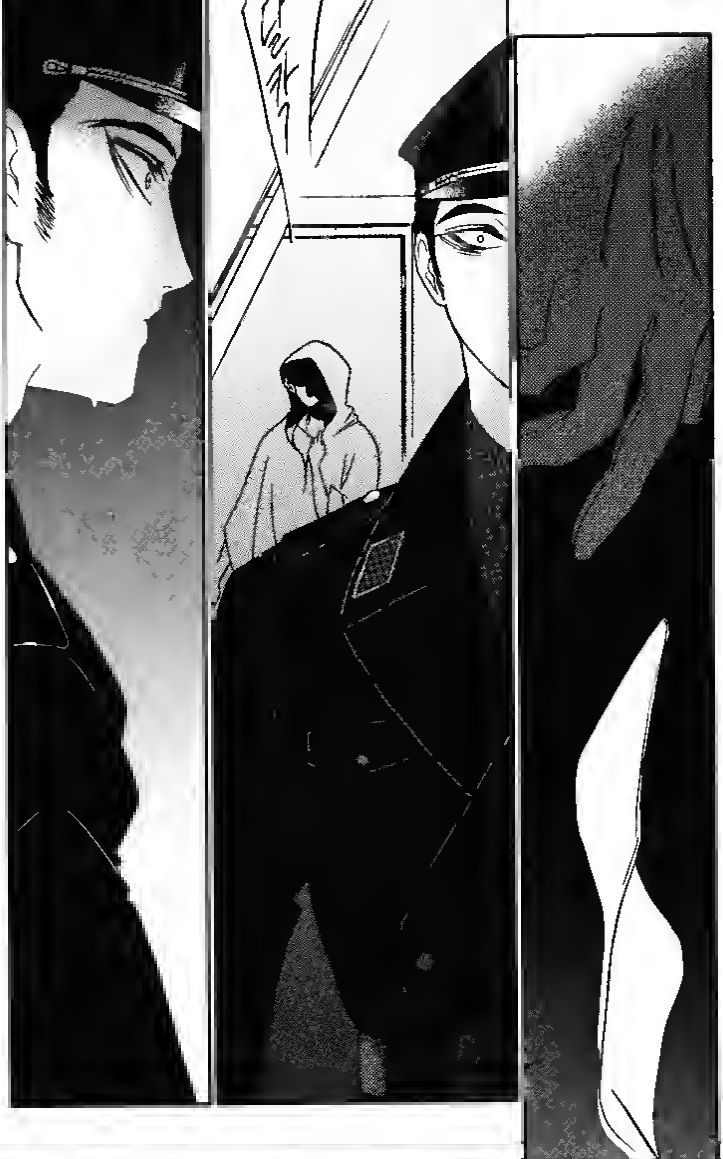
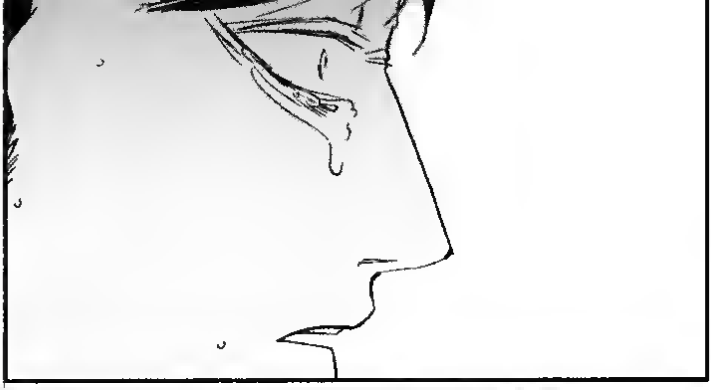
-----!



... You shouldn't be here

Step aside.
No.
If the general finds out -
My presence here now has nothing to do with my husband
Madam!
Don't you...
Don't you realize how important it is now for this -
I ...

Don't care.
두두두



It could have really changed a page
of a history book ...

But just one kiss was
enough to prevent it.
